

# HAPPY NEW YEAR

## Sierra Sun "IT SHINES FOR ALL" Truckee Republican

89th Year, No. 1 Truckee, Nevada County, California Thursday, December 26, 1957 10c Per Copy—\$3 Per Year Since 1869

### Work Completed On Camp Grounds In Truckee Area

25 Percent Gain This Year  
Shown In Attendance  
At U.S. Parks

Campground improvement projects on the Truckee Ranger District have been terminated for the season, Ranger Roy Saarni reports. Almost \$13,000 was spent on the projects most of which was provided by the new "operation outdoors" program which went into effect last July.

This five-year program was passed by congress to alleviate a critical maintenance and sanitation problem in the nation forest campgrounds. Most of these were built during the Civilian Conservation Corps days when labor was abundant, but finances or manpower have never been adequate to maintain or restore the facilities since that time.

It is interesting to note that recreation visits to the national forests have tripled since the Civilian Conservation Corps days, reaching 52 million in 1956. About 66 million are predicted for 1962. About one-fourth of the new "operation outdoors" funds are earmarked for the establishment of new campground facilities.

The major projects in the Truckee River-Tahoe area were the construction of a cedar fence completely around the William Kent campground, the installation of a large drainage culvert and filling in of a gully at the William Kent picnic ground and beach, and the replacement of four old latrines at the Silver Creek campground with new units.

Other jobs accomplished were the painting and repair of almost all sanitary units and tables, construction of 30 new tables and 20 new stoves, the felling of 60 dead or diseased trees, and the construction of log and rock barriers to prevent traffic damage to camping sites.

Camping use was up 25 percent over last year with 50,000 mandates use recorded on the district's campgrounds, Saarni said. Winter sports use at ski resorts located on government lands more than doubled that of 1956. With the completion of the new Poma tow at Deer Park and increasing interest in the Olympics at Squaw Valley another increase in use is anticipated this season.

Only about two-thirds as many hunters appeared on government lands this year but small increases were noted in the numbers of picnickers, fishermen, hikers and general sightseers, the ranger concluded.

### SODA SPRINGS SKIING REPORTED EXCELLENT

SODA SPRINGS — Sherman Reams of the Soda Springs Ski Corporation reports four feet of snow on the ground there plus a powder snow which fell during the weekend, making ideal skiing conditions.

The chair lift started operating last Thursday and the area was filled for the first time Saturday and Sunday as skiers took advantage of the nice weather.

### BOY SCOUTS HOLD CHRISTMAS PARTY

Troop 7, Boy Scouts, on Saturday held their pre-Christmas party in the dining room at Smart's when Nicky Stone and Frank Borden were presented with their Life Scout badges. Guest Scout, John Besio, made the presentation and the boys gave Scoutmaster Nelson Stone a gift in appreciation for his leadership.

The affair was completed with attendance at a matinee in Donner Theater and later a pool playing contest was enjoyed.

### Miss Nancy Schweis To Wed Kenneth M. Green

Mr. and Mrs. Robert Leamon and Mr. and Mrs. Walter Barrett attended a party at Reno Friday when the betrothal of Miss Nancy Schweis to Kenneth Michael Green of Santa Ana was announced.

Miss Schweis met her future husband while both were attending Stanford University. She has frequently visited here with her mother, Mrs. Schweis, and her late father, George Schweis, who was associated with Nevada State and federal agricultural offices.

### No Change In Fish Season Opening In Area May 17th

Trout anglers can look forward to about the same general seasons and the same bag limits as last year's if the department of fish and game's recommendations are adopted by the fish and game commission. Minor changes are proposed on specific waters to modify existing closures or to impose new ones in the light of changing local conditions.

The department's recommendations will go before the commission, along with proposals from the public, at its January 3 meeting in Sacramento. Unless changes from current regulations are listed below (except for a few routine, technical nature only), boundaries and other regulations would remain the same as this year's.

The department went on record favoring a general summer trout season opening May 3rd. The Central Sierra region would have a May 17th trout opener. (Eight southern counties have a year-long season.)

Donner Lake would open March 30th.

Other recommendations concerning trout:

Reduce daily bag and possession limit in Reservoir Canyon Lake, San Luis Obispo County, to five trout from the statewide limit of 15 because of exceptionally heavy angling pressure.

Change the southern California winter bag limit of three trout to the summer limit of 15 on May 3rd, to coincide with the northern opening.

### Cold, Snow Adds To Precipitation

Cold weather which followed the storm last week sent the temperature at the U.S. Forest Service here down to six below on Monday, with Friday being the warmest day of the week at 41.

There were 24 inches of snow on the ground yesterday after the 35 inches recorded last week settled. Total precipitation for the past week was 2.97 inches bringing the seasonal total to 11.66 inches. This compares to a normal of 8.25 for the end of December.

### New Years Eve Party Planned At Crystal Bay

CRYSTAL BAY—A New Year's eve party, replete with all the trimmings, including a free buffet, has been arranged by Johnny Rayburn, Slim LaBorde and Mac McCoskey for Tuesday evening.

An orchestra, dancing and a balloon dance with free prizes has been arranged and a good time is promised everyone, and an invitation has been extended to all to be on hand for the festivities.

### Great Books Club Will Hold Meeting January 8

The New Year begins for the Great Books Discussion Group with the timely subject of Perpetual Peace by Immanuel Kant. The group has accepted an invitation from Mr. and Mrs. Bob McLane and will meet there, January 8. The McLanes are now in their new house just off Highway 89 south of Tahoe City.

Mrs. Hilda Hintz will lead the discussion beginning at 8 p.m.

**Business In City—**  
Elden Tonini and Harold Langille returned last weekend from a business trip to San Francisco.

**Entertain At Donner—**  
Mr. and Mrs. Tom Barbis of Oakland entertained friends and relatives from Oakland, Sacramento and Truckee on Christmas in their home at Donner Lake.

### Vehicle Licenses May Be Renewed Here Next Month

Truckee Office To Open In  
Last Week Of Month  
For Renewals

More than 6,500,000 annual reminders to California motorists that the time is again here to renew vehicle licenses were mailed from Sacramento today, the state department of motor vehicles reported.

The Truckee office will be open for renewals Monday and Tuesday, December 30 and 31 and will then close until the last week in January and the first two days of February.

No registration and no drivers licenses will be issued between January 1 and January 27 at the local office.

The 1958 evidence of renewal will be reflectorized green, sticker to be attached to rear license plate. The 1957 stickers were red.

The designated renewal period is January 2 through February 4, but you may renew immediately after receiving your statement. Motor Vehicles Director Paul Mason says the sooner you do it, the better off you will be.

The formula for computing fees, as adopted by the state legislature, is: annual registration fee, \$8; vehicle license fee, 2 percent of the value of the vehicle, with a minimum of \$1, which means that the minimum for any car is \$9. The vehicle fee is collected in lieu of city and county personal property taxes, and is returned to the cities and counties in which the vehicle is domiciled.

### LOCAL EX-FELON IS RETURNED TO JAIL

NEVADA CITY—An ex-felon just released from the Nevada County jail two weeks ago after serving a 41-day sentence for disturbing the peace was returned to Nevada County to face charges of grand theft, auto.

The man, James H. Clarke, 30, from Nebraska who had left town at the same time that an automobile owned by John Brown of Grass Valley disappeared, turned himself in voluntarily to Long Beach police and said he had taken Brown's car. He was brought back Friday by Sheriff Wayne Brown.

Clarke and another man had originally been in jail after they were arrested for exhibiting a firearm in a Truckee tavern, as ex-convicts, a charge later reduced.

This time Clarke will be held to answer in Grass Valley Judicial District Court.

### Southern Pacific Official Is Named As Treasurer

Robert E. Plummer, a frequent visitor here, has been appointed treasurer for Southern Pacific's operations in six western states, D. J. Russell, SP president announced. Now assistant to the president, Plummer will assume his broader duties at the end of the year.

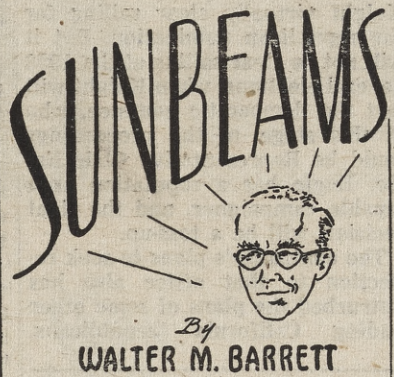

He succeeds James A. Quinn, who is retiring on December 31 after an SP career spanning half a century.

**Hurt In Fall—**  
Elmer Brown was reported to have hurt his back in a fall last week when he slipped on steps.

**Slacks Back—**  
Mr. and Mrs. R. H. Slack spent a week in the bay district and Sacramento, returning to Donner Lake last week.

**Service Held—**  
Mr. and Mrs. James Leamon formerly of Truckee and now living at Tahoe Valley attended last rites held for her mother at Mountain View.

SUN ADS GET RESULTS

The advent of a new year offers a wide scope of possibilities for our entire community. We can look forward to one of the most active years in our history, but should place ourselves in a position to take full advantage of the prospects. First off, progress on facilities for the 1960 Winter Olympics and the publicity therefrom should bring national and international attention to our area. Next, the state will spend several millions of dollars on new freeways and added revenues. There are many this should bring in considerable other developments, large and small, planned for 1958 and the only question of their value to us is our reception and preparation. Without an organized city, we must depend largely upon voluntary organized unity, such as should be offered through our chamber of commerce, our utility district and other agencies. The advantage of having an incorporated city could be of great value to us during the next several years, but apparently the idea is bogged down by apathy, indifference or direct opposition, so we must turn to less potent agencies and lend them our united support. We can make our area great only if we have faith and interest in its development. To that end, let us all resolve that we will do our individual share to be prepared to receive what is being offered.

The staff of the Sierra Sun extends to you and yours a wish that the New Year will be the best you have ever had.

### Officers Installed By El-Ta-Ho Club

CRYSTAL BAY—Despite the stormy night, more than 80 guests were present for the installation of officers of El-Ta-Ho Shrine Club of North Tahoe at Crystal Bay Club Saturday night.

Gov. Charles Russell, a member of the club as well Karak Temple of the Shrine at Reno, was master of ceremonies and the installing officer was William McNeill, potentate, Hamer Holloway of Reno. It was ladies night and all members and guests from Nevada as well as Sacramento and the bay area were accompanied by their wives.

Ray Plunkett of Kings Beach was installed as president; Roy Porath, vice-president; Leon Barker, secretary; Milo Browne, treasurer and Jack Steele and Mac McCoskey, directors.

**To Oregon—**  
Mr. and Mrs. Wayne Philippi visited their parents at Portland, Ore., last week.

**Birthday—**  
John, son of Mr. and Mrs. John McGlade, celebrated his eighth birthday, Saturday the 14th, sharing the important occasion with friends and family.

**From Chico—**  
Miss Marie Osburn, attending Chico State is visiting her parents, Mr. and Mrs. Charles Osburn during the vacation.

**Home For Christmas—**  
Miss Sharon Pace of San Francisco is enjoying a visit with her parents, Mr. and Mrs. Tony Pace at their new home in Gateway Park.

**Bright Tree—**  
The brightly lighted tree before the Tahoe Forest Hospital caused a great deal of cheerful comment during the holidays.

### Wolverines Win 4 Lose One; Meet Carson January 4

Yerington Falls Under 73-  
54 Score In Truckee  
Contest

The Cardinal and White Wolverines of Tahoe-Truckee High School lifted their record to four wins and one loss for the season, defeating the Lions of Yerington 73-54.

The Wolverines' Floyd Cooper took high-point honors of the evening with 23 counters, followed closely by Yerington's Wes Williams with 22.

Wolverine center Ken Vaughan held Bailey, Lion center, scoreless throughout the game, and Berger Nelson worked hard on the boards for Tahoe-Truckee.

Although the Lions led 17-11 at the end of the first period, Tahoe-Truckee had a 10-point, 35-25, lead at halftime, and moved nine points further ahead in the final half.

The Wolverines have dropped only one game this season, that to the Carson City Senators, 68-60. They will again meet the Senators in their next game, to be played at Carson January 4.

The Yerington Cubs scored a 63-44 victory over the Tahoe-Truckee junior varsity in the preliminary game.

### Summer Association At Tahoe Asks That Roads There Be Abandoned

AUBURN—A request by the Tahoe Summer Conference Association to have four county roads at Lake Tahoe abandoned is being studied by the board of supervisors to determine if a public beach is involved.

The roads are located in Tahoe Island Park Lake Tahoe, and cross property owned by the church association. Roads include Tahoe boulevard, from Manzanita avenue to its end; Sierra Vista avenue from Aspen street to its end; Lakeview avenue from Aspen street to its end and Manzanita avenue from Tahoe Boulevard to Lake Tahoe.

The supervisors indicated abandonment of Lakeview avenue, which parallels Lake Tahoe, might involve the public beach beside the avenue. Supervisors Frank Paoli and L. L. Anderson were appointed to look into the proposal.

### BROCKWAY ROTARY HEARS POLIO TALK

KINGS BEACH—In the absence of President Fred Baker, the meeting of the Brockway Rotary Club Monday night was conducted by Vice President Don Barkhurst.

After the brief business session, the acting program chairman, Wiley Jones introduced William Dugan as speaker. Dugan, who has long been active in fund drives for the Polio Foundation spoke on the need for continued efforts and showed a film through the courtesy of the National Infantile Foundation sponsored by the Veterans of Foreign Wars. The film showed the work being done to stamp out the disease and what is being done to rehabilitate victims.

Dugan read a message from the national commander of the VFW and announced that the annual fund drive would open January 2.

**TRAIN GIVEN AWAY**  
Cripple Creek will be the feature attraction at Saturday afternoon's matinee at the Donner when another electric train will be given to some lucky boy or girl. Last week's train went to Gene Miller.

**From Valley—**  
Mr. and Mrs. Omar Alexander and daughter, formerly of Truckee, visited briefly here yesterday in route to Sierraville to spend Christmas. They live at Marysville.

**At Maxwell—**  
Mr. and Mrs. Henry Toccalini are spending the holidays with relatives and friends at Maxwell.

### School Ski Project In Doubt As Cost Is Being Studied

Recreation Proposal Being  
Investigated As Plan  
Is Presented

A number of issues, including a discussion on the ski program, occupied members of the governing board of the Tahoe-Truckee Unified School District at the December meeting.

Due to the action of the ski lift operators association to charge for the use of facilities during the ski program, and the fact monies were not budgeted to cover this unforeseen charge, it was the consensus of the board the superintendent be instructed to make a study of the matter and report his findings. Superintendent John Corbin was also instructed to write a letter to the Squaw Valley-Lake Tahoe Ski Club asking their suggestions and assistance.

The problem of transporting Floriston students from the townsite to the bus stop on Highway 40 was presented by K. E. Braley. The board instructed the superintendent to assist the residents of Floriston as much as legally possible.

Wayne Bartholomew, consultant to the California State Recreation Committee, reviewed the plan for development of recreation services in the community of Truckee, and vicinity, as prepared by the State of California Recreation Commission. A question and answer period followed. Action was to be held in abeyance pending further study.

Gordon Butterfield presented excerpt from the minutes of the Squaw Valley-Lake Tahoe Ski Club directors meeting held December 6, authorizing him to act as its agent in requesting of a Warren Miller ski movie.

All proceeds are to be used for the Squaw Valley-Lake Tahoe Ski Club junior competition fund, and a financial statement of the proceeds will be presented to the school board. It was the consensus of the board this request is in line with the past action, and approved the request.

Upon motion of Fred Pedley, seconded by Jack Felte, and unanimous affirmative vote, the board authorized the superintendent to forward a letter to the division of highways authorizing commencement of the condemnation proceedings against the Truckee Public Utility District to acquire the 32-acre addition to the high school. Mrs. Dollie Harris was employed as a part-time clerk in the district business office.

### PARKING CLEARED AS MANY CARS TAGGED

Division of highways crews Monday completed the task of plowing and hauling away the snow which had hindered parking along the main street in Truckee since the storms of last week.

Despite the fact that NO PARKING signs were placed all along the street, scores of vehicles pulled in and parked and two officers of the California Highway Patrol were kept busy issuing illegal parking tickets. Parking cars in the path of snow removal equipment slows up the work and motorists are urged to watch for the signs to prevent delays and avoid receiving citations.

The signs are usually installed several hours prior to the time the equipment starts to work to give everyone a chance to cooperate.

### Pass Is Closed

The Luther Pass route on State Sign Route 89 between Highway U.S. 50 and State Sign Route 88 has been closed for the winter, District Highway Engineer Alan S. Hart announced.

The route over this pass is normally closed from early December until April or May, Hart said.

### SNOW AT TAHOE

TAHOE CITY—Seven inches of new snow fell at Tahoe Sunday and Monday 26 inches were reported on the ground at Tahoe City. The temperature for the past week, according to Art Frodenberg, ranged from a high of 39 to a chilly seven. The level of the lake Monday was 6227.34 with 300 cfs of water leaving the gates.

#### AGREEMENT NOTICE OF AGREEMENT TO PURCHASE PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

NOTICE IS HEREBY GIVEN in accordance with the provision of Division 1 Part 6, Chapter 8 of the Revenue and Taxation Code and written authorization of the State Controller that an agreement, a copy of which is on file in the office of the Board of Supervisors of Nevada County, has been made between said Board of Supervisors and the State of California, acting by and through the Department of Public Works and approved by the State Controller, whereby said County will sell to said State of

California, under the terms set forth in said agreement all the right, title and interest of the State of California in and to the real property hereinafter described.

That, unless sooner redeemed or an installment plan of redemption is initiated, the undersigned Tax Collector, pursuant to said agreement will not less than 21 days after the first publication of the mailing of this notice as required by law, whichever is later, sell said property to State of California.

That upon the sale of the property the right of redemption will cease. For information as to the amount necessary to redeem or initiate an installment plan of redemption apply to John T. Trauner,

#### AFFAIRS OF STATE Henry C. MacArthur

SACRAMENTO (CNS) — The withdrawal of Robert C. Kirkwood, state controller, from the race for republican nomination as United States senator in place of Senator William F. Knowland, came as no surprise to Capitol observers, but rather as a disappointment to many who felt the controller would make an able representative of California in Washington, D.C. Kirkwood's withdrawal, of course, resulted from entry of Governor Goodwin J. Knight into the senate race, and the fact that financial support from the republicans will be directed to Knight's candidacy.

The only threat left on the republican ticket to Knight at the present time is Mayor George Christopher of San Francisco, and the possibility looms large that the mayor will withdraw before filing time. Predictions are that Christopher will have as much or more trouble than Kirkwood in finding financial support sufficient to wage a state-wide campaign.

Kirkwood's withdrawal, therefore, undoubtedly gives Governor Knight virtually clear sailing for the republican nomination. But it will not be clear sailing at the 1958 general elections, when Knight will face the democratic nominee, who at this stage of the proceedings could be Representative Clair Engle. Engle has a reputation as a capable campaigner, and the final decision will be a toss-up.

The controller's plans to seek reelection to that office also has disturbed the plans of some other leading California republicans,

#### School Superintendents Endorse Roy E. Simpson

SACRAMENTO (CNS) — The California Association of County Superintendents of Schools voted 37 to 5 to endorse Roy E. Simpson, incumbent state superintendent of schools, for re-election at the 1958 elections.

The vote was taken by secret ballot after Bryan O. Wilson, Contra Costa County superintendent, told the members he did not believe it was logical to endorse any candidate until after the filing date for the office.

Wilson said endorsement at this time could lead to charges that the association was a "captive audience," being told by the superintendent who to endorse.

Cecil Hardesty, San Diego County superintendent, supported Wilson, stating the group could "become a party to a freeze-out" if it took action before all candidates were declared, officially. Hardesty said he has reports that a state legislator (Sheridan Heglund, D-La Mesa, assemblyman) may enter the race for the state's top school office.

namely, Speaker of the House Luther H. "Abe" Lincoln (R-Oakland), who will retire from the political scene at the end of his present assembly term in 1958.

Lincoln had planned to run for controller, but will not contest the incumbent, choosing rather to retire from politics.

This, of course, will mean a new speaker of the house, and already moves are being made by several assemblymen, north and south, for the coveted post.

So far, no candidates for this office have any firm commitment nor can any be had until it is determined whether the democrats take over the assembly. Should this happen, the majority could not possibly be more than one or two votes. From the results of the last two special elections, it appears as though the democratic chances of obtaining a majority are negligible.

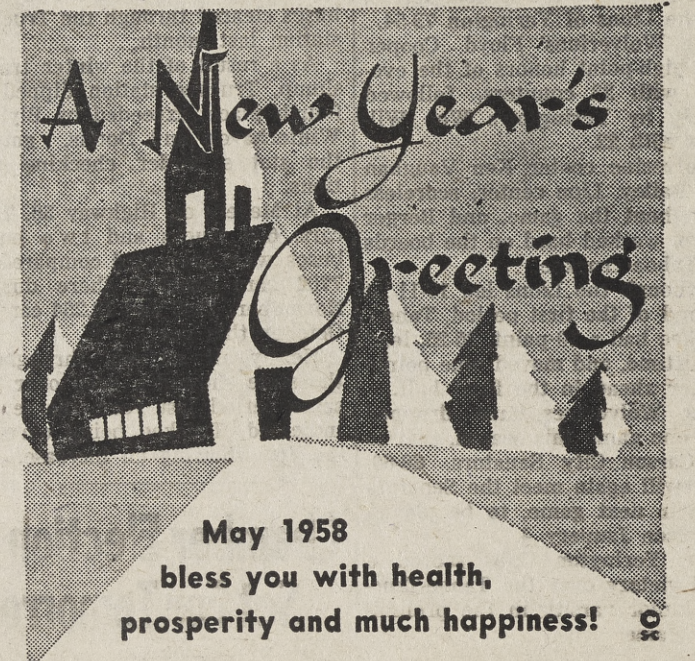

The office of state controller is not a spectacular spot in state politics, but is nevertheless a highly important one. The controller is the guardian of the state treasury, and Kirkwood has given a good account of himself in seeing that payments of state money are in accordance with the statutes provided for those payments.

At the present time, it does not appear that his re-election is challenged seriously. He could, in fact, win easily in the primary election.

Mrs. C. E. Bosen of Tahoe City wrote that they will be at Temple City for an indefinite stay.

## STRICTLY STRICKLAND

By Bill Strickland

How would it be if we started our column this week by wishing everyone a very Happy and Prosperous New Year. Well, that's the way it's coming out of the type-writer; so we'll leave it that way. It is our sincere wish that this coming New Year is your best ever.

Everything on the Hill was operating at peak capacity over the weekend, and will be for the next two weeks—the holidays are here as well as four feet of beautiful dry powder snow. And, with a combination like that, how can it be anything other than the best.

Here at Soda all the lifts were operating, and with an excellent crowd. Jim Winthers' Ski School did a land office business using

the services of his complete staff of certified instructors. Returning again this year, besides Jim, are Edvi Aro, John Johansen, Jerry Mikacich, Bud Zorich, Bill Pritchard, Biff Buckaloo and Dave Maguire, as well as a couple of new boys we haven't had a chance to meet yet.

The crowd changes from year to year, but if you look closely enough you can recognize quite a few regulars and every once in a while, out of the clear blue, you're knocked to your knees by someone's over exuberance in giving you a hefty slap on the back before they pick you up to say, hello.

Milt Hogle has sold his interest in the Soda Springs Ski Corporation to Bob Jamison—Bob's father, Max, is operating the Snowflake for the second year. Along with Bob on the lift operation are Sherm Reams, Al Kelly and Max Williamson.

Elmo Moriano is now the senior resort operator in this section—what with Donner Summit Lodge and Soda Springs Hotels both being under new ownership and management.

Doctor Reich and his family have leased the house next to Harry and Betty Beyer for the winter season. The Skoaler Ski Club of Hayward are now ensconced in George Rudolf's Big House.

Members of the Mercury Ski Club have been up to get their place in order, as have the members of the Santa Cruz Ski Club.

The Marin Skate and Ski Club have leased Bud Horak's house in back of D.S.L. for the second year. Plans were on the fire for the Alameda Ski Club to take over the Beacon Hill Annex this fall. Don't know if they've been finalized yet or not.

Farther on up the road are the clubhouses of the Sierra Club—one of the first and largest. The A.S.U.C. Club, the Peninsula Ski Club, Viking Ski Club, Oakland Ski Club, Alpineer's Ski Club, the William Heidelberg Club and the Vorlage Ski Club. So, you can see that our Mountain Top is the favorite place for the majority, and rightly so, because it's the best.

Luggi Foeger, the new director of the Sugar Bowl Ski School, has

**PSYCHOLOGY**—A chest X-ray is now play for Ann Rankin, daughter of Master Sergeant Russell P. Rankin (left), technician at Walter Reed Army Hospital, who fathered the idea for the hobby horse. Its builder, Clifton Reintzel, and Colonel Elmer A. Lodmell, radiological chief, check safety details.

a staff that really smacks of internationalism:

Alex Brogle—from Yosemite and Alta.

Hartl Meller — Austria, Sugar Bowl.

Emil Marent—Bavaria.

Peer Nakkin—Canada-Norway.

Hans Staempfli—Switzerland.

Victor Met — Austria, Sugar Bowl.

Rick Anderson—Yosemite.

Emil and Hans have been in this country only a couple of months. As you can see, the top ski countries are well represented—besides the U.S., Austria, Switzerland, Norway, Bavaria and Canada.

with the third fastest time in its 16-year history."

Thomas Jefferson compiled a set of parliamentary rules which is still in use.

Overland stages began operating between San Antonio, Texas and

For the benefit of those who may have missed Carson White's ski column in the San Francisco Examiner on Sunday, December 22, I'd like to reprint it here:

**RAU NEW OLYMPICS SKI HOPE**

by Kit Carson White

"Californians looking for a native son in the 1960 Winter Olympics at Squaw Valley should be cheered today by the news that Ronnie Rau, 18-year-old 'Whiz Kid' of Soda Springs, has chosen to follow the national racing ski circuit this year.

"California hopes in the Olympics dimmed November 3 this year when the state's only male member of the United States FIS team, Dick Buek, former national downhill champion, was killed in a plane crash.

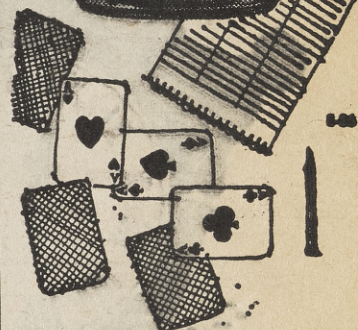

One of Buek's greatest admirers was young, slim Ronnie Rau, a neighbor of his. Buek was called the 'mad man of the mountain' for daring runs where other feared to follow. He is a legend of Donner Summit.

"The youngster Rau feels inspired to emulate Buek, and like his hero, has a complex to go all-out to win.

"A quick look at Ronnie's record shows his fearless, and he has the spirit. Ronnie broke a leg, for the third time, in practice for the Silver Belt race last April. Asked yesterday by Coach Bill Strickland about present strength, Ronnie answered, 'I can stand on it, can't I?' Meaning he's set to ski.

"To clinch his possibilities Ronnie calmly skinned down the fearsome 'Eagle Run' at the Sugar Bowl last year to win a Diamond Eagle

### BANK NOTES

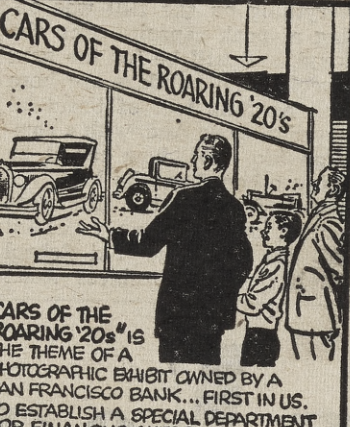

by Malcolm

#### DID YOU KNOW...

IN 1640, CHARLES I UNWITTINGLY HASTENED THE FORMATION OF ENGLISH BANKS. THE TOWER OF LONDON LOST POPULARITY AS A DEPOSITORY OF GOLD WHEN HE SEIZED 120,000 POUNDS BELONGING TO LOCAL MERCHANTS.

A CALIFORNIA STUDENT OF ENTOMOLOGY GOT THE IDEA OF STARTING A BUSINESS FOR COLLECTING AND MOUNTING INSECTS FOR SCHOOLS AND COLLEGES. WITH A LOAN FROM A LOCAL BANK HE BECAME SO SUCCESSFUL HE MADE OVER \$10,000 IN SALES DURING THE FIRST TEN MONTHS.

### Tahoe-Truckee School District News

**TRUCKEE ELEMENTARY KINDERGARTEN:** We had a wonderful Christmas party and we thank everyone who helped with it. Our hostesses were Mesdames Frates, Doyle and Stone, while several others helped with the refreshments.

**FIRST-SECOND:** We were sorry to lose two of our classmates this week. Kathy Gehrke and family moved away for the winter. David Carpenter is moving to Auburn. We will miss them.

We enjoyed a play in Mrs. Tiff's room put on by the fifth grade children, a puppet show by children from Mr. Stever's fourth grade and several songs by the choir, directed by Mrs. Roberson.

**FOURTH:** Christmas week was a whopping success, according to the opinions of most fourth graders. The fourth grade worked out a theme based on "Santa's Workshop." Little brownies and elves were made out of crepe paper. Mr. and Mrs. Santa Claus were made from chicken wire and crepe paper. A background painting of toys in the workshop; a lattice-work design plus paper chains suspended in the room; and a shadow box provided the decorative spirit. Activities at the party, one in which we thank Mrs. Pankoke for being hostess, consisted of a poem by Betty Saarni; a dance by Diana Pankoke; a puppet show, gifts and best, something to eat; these goodies being furnished by our parents. We wish to thank Mr. Saarni for providing us with a Christmas tree. Best wishes to our wonderful parents. Good luck, everybody.

**FIFTH:** Those pupils making a perfect score in spelling were: Jim Roth, Judy McGinn, Gloria Banyard, Steve Davis, Dennis Stumbaugh, Garry Sturcke, Danny Garcia, Wade Mosby, Marcia Leamon, Mickie Ingalls, Dennis Douglas, Tony Kenyon and Patricia Shane.

A most enjoyable Christmas party was held Thursday afternoon. Thanks go to Mrs. King and Mrs. Leamon for the games and delicious refreshments.

**SIXTH:** Mrs. Charles Kay, the sixth grade room mother, with the assistance of Mrs. Hintz, Mrs. Doo-

### Reno Officer To Be Housing Chief

SAN FRANCISCO — Louis P. Spitz has resigned his post as captain of the Reno Police Department to become housing director for the 1960 Olympic Winter games, it was announced today by Richard C. Ham, a member of the 1960 Olympic Winter games organizing committee and chairman of that group's housing committee.

Spitz was born in Alaska and came to the Reno area in 1924.

little, Mrs. Merica, Mrs. Randall, Mrs. Hall, Mrs. Kaspien and Mrs. Schuler gave our class a very fine Christmas party Thursday afternoon. Cookies, punch and ice cream bars were served. Members of the class exchanged gifts.

The fifth and sixth grade choir will sing carols for the various classes on Friday.

**KINGS BEACH SCHOOL KINDERGARTEN:** We are looking forward to our class Christmas party on Friday. It will be put on by our room mothers, Leona Gratton and Audrey Sheridan. We will take home the gifts we made for our mothers.

**FIRST:** Our first graders are all reading nicely. We are using a spelling box. After Christmas we will start writing stories, and then we will use our spelling boxes to help us write.

**SECOND-THIRD:** Jan Jensen, Shari Decker, Janice Wing, Ann Felte and Eva Eckenboy are in their new reader, "Over a City Bridge."

Mrs. Jimmy Chastain and Mrs. Bill Malley, our room mothers, are planning to give our class a Christmas party Friday.

**THIRD-FOURTH:** We have been studying about the natural resources of California. Our own Lake Tahoe area is rich in natural resources as the committee on this topic discovered. The third grade drew maps showing where our parks are located.

**FIFTH-SIXTH:** Our Christmas party chairman is Greg Thompkins, assisted by Lee Elliott and Estelle Howell. We have been taking speed reading tests. Susan Gratton, Wendy Boatman and Estelle Howell are doing advanced work in reading.

### NORTH TAHOE

By JUDGE HARRY CHARRISON

**EDITOR'S NOTE:** We regret to report that our North Tahoe correspondent, Judge Harry Charrison, is indisposed this week and his column will be missed.

The judge is in Washoe Medical Center undergoing a series of examinations and treatment, but we hope he will be back on the job for next week's edition. Although unable to supply his usual lively and informative news note, Judge Charrison asked that he and Mrs. Charrison be remembered to all his friends and readers of the Sierra Sun with their best wishes for a very enjoyable and Happy New Year.

Two disastrous fires in 1851 destroyed property valued at \$14,500,000 in San Francisco.

following members of the housing committee: Mrs. Helen Jackson, director of housing of the San Francisco convention bureau; Robert Sullivan, convention manager of the Reno Chamber of Commerce; H. S. "Gene" Shoupe, manager of the Reno office of AAA; George Laing, manager of the approved accommodations department, California State Automobile Association, San Francisco; and Miss L. L. Norris, director of the touring department of the National Automobile Club in San Francisco.

"This experienced group of housing leaders should combine with the efforts of Spitz to lead the Lake Tahoe-California-Nevada community in one of the most successful housing program in the history of winter games," said Ham.

## The line of the Minutemen

"Stand your ground.  
Don't fire unless fired upon;  
But if they mean to have a war,  
let it begin here."

Captain Parker

On Lexington Green, 182 years ago this month, the first shot of the Revolution was fired. And the men who stood against the organized army of the Redcoats became immortal in American history as the Minutemen.

For they were the core of the army which gave birth to a nation—a civilian army in which every man fought first for the security of his home and family and thus tapped incredible reserves of strength and fortitude.

The Minuteman was chosen as the symbol of the Savings Bond program of the U. S. Government because he represents the strength that is America—the security of each individual American family.

And it is this strength of 170,000,000 Americans which is behind every Savings Bond you buy. Your Government guarantees the principal of your Bonds safe—up to any amount—guarantees sure the rate of interest you receive.

What more fitting way to honor the Minuteman of the Revolution than to build your family's security on the security of America—as he did? You do that when you save regularly with U. S. Savings Bonds. Start today either through the Payroll Savings Plan at work or by buying a Bond a month where you bank.

Safe as America... U. S. Savings Bonds

The U. S. Government does not pay for this advertisement. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

## NEWS NOTES FROM TAHOE

By Naomi McLane  
Tahoe City, Box 711, Juniper 3-3187

**School Program**  
The school program Thursday evening was enjoyable to all who saw it. Jim Reynolds has, every right to be proud of his choir who sang their part-music so well. The scene with its combination of cozy

indoors and outdoors labeled Grove Street was fine. Mrs. Lillian Farr had charge of the stage setting. Mrs. Solveig Beavers was in charge of the music and Mrs. Geri Covello and Mrs. Helen Rauscher had done their parts many days keeping various classes going so that the rehearsals could go on. George Day made a fine junior Santa Claus and among the special numbers the little "snowflake" dancing of Barbara Neilsen should be mentioned. Dick Pomin did excellently in his recitation, "Just Afore Christmas I'm as Good as I Can Be."

### Exchange Gifts

School parties Friday afternoon marked the end of 1957 for the school children as they exchanged gifts with their friends amid such fun and laughter.

### Santa Visits

The Christmas tree Friday night was lovely as always. Santa Claus arrived this time through the courtesy of George Selkirk, business manager of the Pacific Tel. and Tel. and by way of Bud Jones faithful horse.

### Wise Forecasters

Everyone wanted to get in on the snow pool so two were formed this year at the Tahoe Inn. After all there are not quite 365 days to bet on six inches of snow. Marshall Ruhkala and Joe Frey were the wise forecasters this year.

### Home For Holiday

Mr. and Mrs. John Palmer of the Riviera Shops are home again for the Christmas holidays after a month's buying trip which took them both to New York and Alcapulca Mexico. Some time was spent also in the southwest en route home.

### At Atascadero

Mr. and Mrs. Clifford Plew and the children, Chrissie, Bob and Cliff, will spend the holiday with Naomi's mother, Mrs. Mitchell, in

**1958 PRESIDENT OF THE SAN FRANCISCO CHAMBER OF COMMERCE** is Alan K. Browne, vice-president, Bank of America N.T.&S.A., San Francisco. A native of Alameda and graduate of the University of California, '29, he resides in Burlingame, chairman of the Bay Area Rapid Transit Commission in 1957, he was first vice-president of the chamber in 1957 and chairman of the Civic Development Committee and Mass Transit Section. He is a member of the San Francisco Parking and Transit Council.

Atascadero. They hope to bring Mrs. Mitchell back with them upon their return. Plews, by the way, have several puppies to give away for the asking. If you are interested get in touch with them after the New Year. Boots, the mother, has a face that only a mother—or a child—could love but she's an awfully nice dog and her puppies probably would be too.

### To Honolulu

Mrs. Rowena Cincotta made a hurried trip to the bay area right after school was out to enplane her sons, Paul and Howard, for a Christmas in Honolulu. The boys were looking forward to their fast change of weather but say they will be glad to return to winter.

### To Pasadena

Mr. and Mrs. Steve Marvin will spend part of the Christmas vacation in Pasadena where they will visit family and friends.

### Breaks Leg

George Day, who so nobly took the part of Santa Claus in the school program had the bad fortune to break his leg Sunday while

skiing at Squaw Valley. The break is reported to be a clean one but will keep him off his feet for some time to come.

### Chickenpox

Chickenpox is raising its unwelcome head again. Two of Charles and Betty Rich's daughters have had it and as Charles says, "Only three to go now." We express our sympathy to them and to Mrs. Robert Wray who also has been quite sick with the pox. She says she looks like a Christmas tree but does not feel like one.

### Open House

Perhaps among the first of the Christmas and New Year season's open houses was the lovely occasion at the home of Mr. and Mrs. Wayne Poulsen of Squaw Valley Sunday night. Scores of friends and neighbors came in for wassail and good cheer.

### Purchase Cottages

Mr. and Mrs. Ralph Rauscher have announced their purchase of the Cedar Crest Cottages in Home-wood from the Bernard Edmarks who have owned the property for over 10 years. Ralph and Helen will have the resort ready for the season this coming 1958.

### Church Services

The churches of Tahoe City celebrated the Christmas Eve with reverent services. A Midnight Mass was held at the Corpus Christi Church with both Father O'Neill and Father McAllister officiating. Communion was given Sunday morning also.

### Special Music

At 11 p.m. a service was held in the St. Nicholas Church. Special music was furnished by the choir and accompanied on the organ by

### BOARD MEETINGS TRUCKEE PUBLIC

#### Truckee Public Utility District

Meets 1st and last Thursday each month at 9 a.m. in the district office.

#### Truckee Sanitary District

Meets 1st Tuesday at 7:30 p.m. at Justice Court Offices.

#### Tahoe-Truckee Unified School District

Meets 2nd Tuesday each month at 8 p.m. at the high school.

#### Tahoe Forest Hospital District

Meets 2nd Friday each month at 7 p.m. at the hospital.

#### Truckee Fire District

Meets 1st Tuesday each month at 10 a.m. in R. N. Little's office.

#### Truckee Cemetery District

Meets at call of Chairman W. M. Englehart.

Mrs. Charles Beardsley, Sunday, December 29, will have several special hours: A baptismal service will be held at 8:30 a.m.; communion at 9; and confirmation and regular service for worship at 11. Bishop Haden will minister at these services all to be held at the St. Nicholas Hall. Sunday school will be as usual at 10 o'clock hour at the Community Hall.

### Visit Daughter

Mr. and Mrs. Maricle of Oakland are visiting their daughter and her family, the Bob Jorgensens, Jerry, Janet, Brad and Scott are pleased to have their grandparents here for the Christmas celebration.

### Back From Islands

Mr. and Mrs. Ralph Burgett are recent returnees from what sounds

like a wonderful trip to the Hawaiian Islands. Rachel reports it as one of the most delightful trips she has ever taken. They saw several of the islands besides Oahu, took some 10 reels of color movies and are filled with memories for a lifetime.

### To East Coast

Gary Holbrook and John Wood left Friday night for a two weeks' trip to the East Coast with their teachers, Don Trask and Roy Baker. Baker will go as far as Indiana; the others on to New York and New Hampshire. Mrs. E. P. Trask accompanied the group.

### Christmas At Lake

Mr. and Mrs. Denny Wilcher and their children spent the Christmas holiday at the lake as a family Christmas present.

### NO SUBSTITUTE FOR OBEDIENCE TO LAW

SACRAMENTO—There is no substitute for traffic law obedience as an effective traffic accident preventative, says the California Highway Patrol.

"Analyses of traffic accident statistics prove beyond doubt that violations of the vehicle code are the leading contributing factors in about 90 percent of all traffic accidents," stated Patrol Commissioner B. R. Caldwell. "Drivers who realize this and drive accordingly, obeying the rules, seldom get into accident trouble."

"Speed violations, right-of-way violations, driving while under the influence of alcohol, disregarding traffic lights or stop signs, and following too closely continue to lead the parade of violations noted in traffic accidents," Caldwell said. "The violations mentioned accounted for about 75 percent of all traffic accidents reported to the patrol."

"With our usually highest traffic accident month, December, upon us, it is urgent that every driver and pedestrian check their traffic habits with the vehicle laws," he concluded. "Each should keep in mind that there is no substitute for traffic law obedience if you want to drive or walk safely in traffic."

### Car Dealers Reminded Of Law On Licenses

Used car sellers and purchasers were reminded by State Motor Vehicles Director Paul Mason that all applications for transfer of title presented to the department of motor vehicles during December must be accompanied by 1958 fees.

This applies, Mason said, not only to transactions completed in December, but to prior used car sales and purchases for which title transfer applications are made on or after December 1.

In the registration of new or non-resident vehicles during December it is not mandatory, Mason explained, that next year's fees be paid at the time of applying for registration. Neither does the requirement apply in refinancing transactions affecting the legal ownership of a vehicle.

The world record catch of brown trout was set in 1886 at Loch Awe, Scotland, when W. Muir landed one weighing 39 pounds, eight ounces.

### Income Sources In State Increase

SACRAMENTO (CNS)—All major sources of income in California rose to new record levels during the third quarter of 1957 but there was a "noticeable slackening" in the rate of gain compared with previous quarters of the year, the state department of finance reported.

"In contrast with an advance of \$1,058 million in first quarter annual rate, and a rise of \$472 million in the second period, the growth in the July-September quarter amounted to \$368 million," the department said. "The slackening was particularly noticeable in wages and salaries."

The department, which computes personal income on an annual rate, said all income received during the third quarter, would amount to an annual rate of \$35,024,000,000. Wage and salary payments in the quarter totaled \$6,106,000,000 — or an annual rate of \$24,328,000,000.

"The rate gain amounted to \$149 million, the smallest quarter-to-quarter rise in almost two years," the department said.

Proprietors' earnings were at an annual rate of \$4,171,000,000 during the quarter, up just over 2 percent from the preceding quarter and a year ago. Property income, at a rate of \$4,463,000,000, appears to have been better than the second quarter, or a year ago, although rental income showed no change.

Transfer payments, mainly receipts from retirement and other social benefit programs, recorded the largest gain when compared either with the preceding quarter or the same quarter in 1956.

As for the wages and salaries category, more farm workers were employed but the growth in average hourly wages was less than the seasonal increase. A building trades dispute and aircraft cut-back were responsible for poorer earnings in southern California.

State and local government payrolls reflected July 1 salary increases.

The Pacific Mail Steamship Co. was subsidized by the United States at \$700,000 a year, to provide monthly mail service between New York and San Francisco in 1848.

### COUNTY BUDGET UP FOR CURRENT YEAR

Key figure behind the \$761,180 county property tax levy for Nevada County this year is the \$3,044,252 budgeted by the county for 1957-58, S. J. Arnold, general manager of California Taxpayers' Association, said today, making public the statewide organization's study of property taxes for county government purposes.

The 1957-58 budget for the county is 20 percent greater than the \$2,543,417 county budget for 1956-57, Arnold said.

After all subventions and grants, fines and fees, and carry-over surpluses, delinquency allowances, and balances, etc., are subtracted, the 1957-58 county budget called for the 1957-58 property tax levy for the county of \$761,180, which was 2 percent greater than the \$746,223 levy for 1956-57.

Assessed value of taxable property in the county reached \$37,130,730 for the current year, 2 percent greater than the \$36,261,350 for last year.

Combination of property tax levy and assessed value of taxable property in the county for each of the years resulted in the \$2.05 basic county tax rate per \$100 of taxable value for 1957-58, compared with the 2.05 rate for 1956-57.

Approximately 88 percent of the mercury produced in the United States comes from deposits in California.

California ranks second to Pennsylvania in the number of daily newspapers published—123; Pennsylvania, 126.

### NOTICE TO RECLASSIFY PROPERTY IN ZONE DISTRICT AREA UNIT NO. 6, LAKE TAHOE

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Planning Commission on Friday, December 13, 1957, and Friday, January 10, 1958, at the Courthouse, Auburn, Placer County, California, at the hour of 11:00 A.M. to consider the petition heretofore filed by Jackson Brandt III and Dulcie M. Brandt for the reclassification of the hereinafter described lands from residential to multiple dwelling:

Lots 6, 7, and 8, Block F as shown on maps entitled "Tahoe Vista Subdivision No. 1, in Zone District Area Unit Number 6."

At said hearing all persons in favor of the granting of said petition and all persons opposed thereto may be heard.

Dated: November 20, 1957.  
HARRY STUBLEY, Secretary, Placer County Planning Commission.

NANCY CAPERON, Clerk of said Commission.  
(Publish: November 28, 1957 and December 26, 1957).

## BISHOP HADEN WILL SPEAK AT TAHOE

TAHOE CITY—The Right Rev. Clarence R. Haden, Jr., D.D., consecrated Bishop of Diocese of Sacramento, will deliver the service, December 29 in St. Nicholas Mission at Tahoe City when 12 persons will be baptized at 8:30 in the morning with communion service following at 9 o'clock.

The morning prayer, with sermon and confirmation service will be held at 11.

Midnight services were held between 11 and midnight on Christmas eve, the choir wearing their new robes for the lovely occasion.

The efforts of Gordon Moyer and Jay Shontz cleared the snow from around the chapel grounds, making for easier entrance to the edifice.

Rev. Haden is a native of Fort Worth, Texas and attended Baylor University, Union Theological Seminary, New York City; Fort Worth, Texas, in Sales and Advertising, 1934-36; Seabury-Western Theological Seminary, Evanston, Ill.

He served as rector of parishes in Texas, Louisiana, North Carolina and was executive director for

## GOVERNOR TO BE OPEN HOUSE HOST

SACRAMENTO—Open house at the Governor's Mansion, 16th and H streets, will be held January 5, a Sunday, from 1 to 5 p.m., with Governor and Mrs. Knight scheduled to be on hand to greet visitors.

It will be the fourth straight year for the event held in co-operation with Sacramento City-County Chamber of Commerce. In past years, crowds ranging from 6000 to 10,000 have taken advantage of the opportunity to visit the historic mansion.

The home which now houses families of California governors was built in 1877. It was the original home of Albert Gallatin, a hardware merchant, and was purchased by the state in 1903.

George Pardee was first governor to occupy the residence, which has been used by all 10 succeeding governors.

presiding bishop's committee on laymen's work, 1951-53, New York City.

He was Dean of Grace at Holy Trinity Cathedral, Kansas City, Mo., from 1953-57 and interchange preacher to England in the summer of 1956.

THAT SOMEONE MAY SEE—Sergeant First Class Charles W. Furness of Stafford Springs, Conn., ophthalmologist at Walter Reed Medical Center, inspects the dehydrated cornea of a human eye. He worked with the team which recently discovered how to keep eyes indefinitely, ready for transplant.

## Prominent Skiers On Olympic Group

Some of the top names in American skiing are now serving on the ski advisory committee for the 1960 Olympic Winter Games, it was announced by Chairman A. A. Jones.

The selected group includes: Charles N. Proctor of Yosemite. Proctor gained fame as a jumping and cross-country coach at Dartmouth; later came west to play a major role in the planning of ski facilities at Sun Valley, Idaho; finally coming to California to perform the same role in making of Yosemite Park an outstanding ski area.

Wesley B. Hadden of Los Angeles. Hadden is a former president of the Far West Ski Association, has held the post of treasurer in the National Ski Association for the past two years and is presently a member of the board of directors or that organization.

J. Stanley Mullin of Los Angeles. Mullin is the United States delegate to the Federation Internationale de Ski, a member of the organizing committee for the games and for the past few years has been an outstanding figure in the development of new ski areas in the State of California.

Albert S. Sigal of San Francisco. Sigal formerly has served two terms as president of the National Ski Association, was picked by the association to be the 1958 manager of that year's United States Olympic ski team, and is currently a member of the executive committee of the United States Olympic Association representing all winter sports.

Edward F. Taylor of Denver, Colo. Taylor was chairman of the organizing committee for the 1950 FISU championships in Aspen, Colo., was head of the National Ski Patrol system for five years and chairman of the United States Army Field Forces' advisory committee on mountain and cold weather warfare.

The committee will have jurisdiction over all skiing events including the sport of biathlon which will become an official part of the Olympic games for the first time at Squaw Valley in 1960. Popularly called the "ski and shoot" sport, biathlon—long a favorite in European winter sports circles—consists of skiing, cross-country fashion, with a rifle and during the 25 kilometer run, firing at four selected targets, with the combination of the running time and target score determining a contestant's final standing.

From Leggett—E. W. Mitlyng of Leggett and former local resident is visiting friends here during his two weeks' vacation.

Happy Day—Doug, oldest son of Dr. and Mrs. L. D. Nelson is celebrating his birthday today with his family.

From Blue Lake—Mr. and Mrs. Heslin Cardinal and children of Blue Lake, former local residents, are guests of Mr. and Mrs. P. Petroni during their vacation here.

## IDEAL SKIING NOW REPORTED IN BOWL

SUGAR BOWL—The storm last Saturday brought a powder top to the four-foot pack of snow in the Sugar Bowl to provide ideal skiing conditions, Manager Walter Haug reports.

The present pack is described as the best on the summit in many years and will assure a good season of winter sports.

Luggi Foeger's ski school is in full operation and the line-up of instructors has an international flavor. They include:

Alex Brogle of Berchtesgaden, Bavaria, has formerly taught in

Alta, Utah and Yosemite. Haril Meller from Austria has taught for 12 years and this is his second year at the Sugar Bowl. Emil Marent of Bavaria has been teaching for many years in Europe. Peer Nakkin of Norway also taught in Canada.

Rick Anderson previously taught in Yosemite. Victor Met of Austria teaches for the second year at the Sugar Bowl. Hans Staempfli is from Switzerland.

Gaby Schmidts is this year's sports director and this is her second year at Sugar Bowl.

## Church Notes

### COMMUNITY METHODIST CHURCH NEWS

The past week saw the presentation of the Christmas cantata on Wednesday evening.

On Sunday morning heard a very impressive sermon by the Rev. A. T. Hanson. The choir presented special music and in the evening a large crowd viewed the pageant given by the Sunday school department under the direction of Mrs. Foster Wilson, the Sunday school superintendent. Music for the pageant was sung by the Methodist Youth Fellowship, accompanied by Mrs. Anita Firpo. A special offering was taken for the orphanage, "Fred Finch Home" in Oakland. The primary department collected mittens on the "Mitten Tree" for needy children.

During the coming week choir rehearsal will be held at 8 p.m. All members and those interested in becoming members should meet at the church for practice.

Regular church service will be held at 11 o'clock and Sunday school at 9:45 and Methodist Youth Fellowship at 6:30 on Sunday, December 29.

### TRUCKEE BIBLE CHURCH

Sunday evening marked the occasion of the Christmas Youth banquet at the E. L. Brown home. Tables were covered with white lace cloths and decorated with red candles and holly. After enjoying a wonderful dinner furnished and served by the women of the church, the program began with Rev. Roy Rhoades introducing the speaker, Jerald Barrett. Before the message began Bob Williams, our Teen-Time president, offered prayer and thanksgiving for the time of Christian fellowship and fun. Barrett gave a thrilling and inspiring account of how the Lord has worked in his life. Although he is a prominent businessman in Reno, he asserts that his main mission in life is the proclamation of the gospel. Following the program Virginia Fudge led in the singing of Christmas carols, which brought the evening's festivities to a close.

Monday evening Pastor and Mrs. Rhoades journeyed to Reno's Calvary Baptist Church to bring the ministry of music and the message for the evening at their Christmas Youth banquet.

The sermon for the morning will be "David's Triumphs and Trials." We invite you to attend our Sunday morning worship service at 11 o'clock in the home of Mr. and Mrs. Wm. Englehart, Jr.

While we are continually thankful for the Lord's provision of this home we realize the urgent need for a suitable meeting place, and Pastor Rhoades would greatly appreciate any suggestions along this line.

### Students Home—

The Misses Judith and Linda Loynd, attending San Francisco State and Stanford are at home for the holidays with their parents, Mr. and Mrs. E. L. Loynd, and Mr. and Mrs. Walter Loynd.

## WESTERNERS FEATURE THEATER PROGRAM

Nine of the movie industry's leading western films are on the January schedule at Donner Theater, Manager Jack Neugebauer reveals. Included on the list are "Dakota Incident," starring Linda Darnell, Dale Robertson, John Lund and Ward Bond, which will be shown here Tuesday and Wednesday.

This will be preceded on Sunday and Monday by "The Joker Is Wild," in which Frank Sinatra, Mitzi Gaynor and Jeanne Crain will be starred. This is the story of speakeasy days in the early 30's with Sinatra singing in a night club. The tale follows through the war and provides excellent entertainment, Neugebauer says.

Next Thursday, "Saskatchewan," with Robert Douglas, J. Carroll Nash and Hugh O'Brien will be the attraction.

Later in the month, "The Spirit of St. Louis," Jack Webb in "The D.I.," "Sweet Smell of Success," "War Drums," "Duel at Apache Wells," "Trooper Hook," and other hits will be featured at the local theater.

## BELGRANO, MAGNIN HEAD KNIGHT DRIVE

Frank N. Belgrano, Jr., and Cyril Magnin, prominent San Francisco business and political figures, were named to head the northern California finance committee for Gov. Goodwin J. Knight's campaign for the United States senate.

In announcing the appointments, Jerd F. Sullivan, Jr., treasurer of the committee, said that Belgrano and Magnin will serve as co-chairmen of the committee.
